Re expenditure in connection with the lighting in Koratagere Minor unicipality

--

Sir,

In forwarding herewith, in original the letter received from the President, Minor Municipal Council, Koratagere on the above subject, I have the honor to state as follows -

The lighting arrangement of this town was so far by means of ordinary lights and as this was considered by the Council to be not satisfactory they had resolved to purchase 10 petromax lights from the Madhugiri Town Municipality so that better lighting facilities may be afforded to the town and this was also sanctioned by Government

The additional provision of Rs 175/- made by this Municipality in this behalf, in its budget estimates for the current year was sanctioned by me with the observation that sanction of Government will have to be obtained before utilisation as the said provision had exceeded the sanctioned estimates of the previous years The President now states that the tender of one Ramaiya Contractor which is the lowest has been accepted and according to the rates given by him the expenditure comes to Rs 472-8-0 for the year and that sarction of Government may be obtained to incur expenditure of the amount provided in the budget in this behalf

As due provision has been made in the budget in this

behalf

behalf, I request that sanction of Government may be kindly obtained to the resolution of the Council as it is a measure for providing better lighting facilities to the town

I have the honor to be,
sir,
Your most obedient servant,
